1. Ethos

The ethos of the Academy is expressed through the Academy's Mission and Vision Statement (worded for students) which underpins all policies and practices within the Academy.

2. Mission Statement

Mossbourne Academy is committed to making a major contribution to developing educational excellence in Hackney. The Academy will be at the leading edge of high quality, inclusive and innovative teaching and learning practice. It will work with the local community and within a strong partnership of all Hackney schools to raise aspirations, expectations and the educational achievement of all members of the community. We share a commitment to the services of young people which will empower them to play their full part in society. In the light of this we aim to:

- Recognise and respond sensitively to the talents and needs of every student and provide the most appropriate means of developing their full potential;
- Ensure that equality of opportunity is available to all;
- Welcome, value and respect all who come to the Academy;
- Develop a spirit of tolerance, understanding and respect for other cultures, traditions and faiths;
- Build a community based on justice and a sense of personal responsibility while acknowledging the power of healing, reconciliation and forgiveness and
- Promote dialogue and co-operation with the wider community.

In order to further promote an environment which celebrates diversity and mutual respect the Academy will:

- Ensure displays reflect its diversity;
- Challenge intolerance in any form;
- Encourage students to share and celebrate their cultural experiences through the curriculum.
- Celebrate kindness

3. Aims, Objectives, Responsibilities

3.1 The Behaviour Policy aims to:

- Reflect the values expressed in the Mission and Vision Statement;
- Make clear the positive and constructive rules of conduct;
- Set out the framework for rewarding good and responsible behaviour and the procedures to be followed and sanctions to be applied should behaviour fall short of these standards;
- Ensure that equality of opportunity is available to all and

Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- Build a community based on tolerance, respect and personal responsibility.

3.2 The Objectives of the Academy Behaviour Policy are to:

- Ensure that the Academy is a safe and supportive environment for all staff and students;
- Ensure that all members of the Academy community are shown respect and show respect for others;
- Endeavour to ensure that all members of the Academy community feel safe and are not subject to physical or verbal abuse, aggression or harassment - this includes via social media - both on, and outside of, the Academy site when incidents involve members of the Academy community;
- Encourage a positive approach to behaviour by leading by example and praise and reward for good behaviour;
- Ensure that the environment, curriculum, and other factors within the Academy's control are monitored to ensure the promotion of good behaviour and
- Ensure that where behaviour falls short of accepted standards, procedures are followed and sanctions are applied fairly and consistently.

3.3 As a community, it is essential that we recognise that the ethos of this policy must apply to the behaviour of all its members both on and outside of the Academy site: to adults (teachers, other staff, parents/carers, and visitors) as well as to student behaviour. Only by example can we teach and demand good standards of behaviour from those whose education is entrusted to us.

3.4 We also recognise that the success of the policy depends on the full support of parents and/or carers. The Home/Academy Agreement (Appendix 1a) has had input from the Academy, Trustees and the DfE Academies Division. In order for there to be a positive relationship between home and the Academy, parents and students must sign the Home/Academy Agreement when the student starts at the Academy.

3.5 The Student Code of Conduct (Appendix 2) makes clear the general principles of good behaviour which will ensure a happy and successful working and social environment for all students.

4. Taking Account of Individual Student Needs (Rigidity with Flexibility)

The following groups of vulnerable students may at some point require the adults in school to take account of their individual needs and circumstances when applying the Academy Behaviour Policy:

- Minority ethnic and faith groups, travellers, asylum-seekers and refugees;
- Students who need support to learn English as an additional language (EAL);
- Students with special educational needs;

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- Children looked after by the local authority;
- Sick children;
- Young carers;
- Children from families under stress;
- Pregnant students and
- Any other student at risk of disaffection and exclusion

Examples of taking care of individual needs are given in Appendix 4.

5. Expected Standards of Behaviour and the Student Code of Conduct

Expected standards of behaviour are stated in the Student Code of Conduct and are regularly reiterated formally, in assemblies, during the transition process, in Tutor Groups, and informally by all members of staff.

The Student Code of Conduct is printed in the Student Planner and states clearly the expected general behaviour at all times (Appendix 2).

In recognition of the fact that not only students but also teachers have responsibilities in relation to conduct a Staff Code of Conduct has also been drawn up and is part of staff induction.

6. The Role of Rewards in Recognising and Promoting Good Behaviour

At Mossbourne Community Academy we believe that good behaviour is best promoted and developed by drawing attention to, and rewarding, well-behaved students.

At Mossbourne Community Academy the rewards system centres on the awarding of merit marks and HoLA certificates for achievement. Merit marks are awarded for the full range of effort and achievement in all areas of Academy life, and for positive behaviour such as politeness, helpfulness, and co-operation. Students are also awarded for exhibiting articulacy, ambition or confidence. In this way all students have the means to receive positive recognition and taste success. Students are rewarded for excellent attendance throughout, and the end of, the academic year. Kindness is celebrated through the 'Walls of Kindness' outside the Head of Year office.

7. Rewards System

The Rewards System at Mossbourne Community Academy centres round recognising outstanding achievement and/or effort in curriculum areas and outstanding behaviour and attitude to learning

Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

in the Academy. Students are rewarded for their hard work, their diligence and positive attitude towards school in a variety of ways.

Students are awarded merit stickers for:

- Excellent assessment results;
- Positive attitude towards learning;
- Impeccable conduct and positive social behaviours;
- Excellent class work;
- Excellent homework;
- Excellent performance in Knowledge Organiser tests;
- Excellent oratory skills;
- Participation in wider academy life;
- Outstanding progress.

When a merit mark is awarded, students write the subject and the date on the merit mark and sticks it in her/his planner. The teacher signs it. There is no limit to the number of merit marks a student can receive in one subject.

Attendance awards: Students achieving 100% attendance are rewarded at the end of every half term, term and at the end of the academic year.

Subject achievement awards: Awards are presented by Head of Learning Areas in assemblies and at the end of term whole school assemblies.

Enrichment Passport: Students are encouraged to collect stamps for attendance at enrichment activities. Prizes and rewards are awarded for a benchmark number of stickers.

Special awards: The Academy's Trustees regularly donate prizes to be given to student who have made outstanding progress, have achieved a high level of excellence, or who has been an exemplary Mossbourne citizen.

In addition to this formal rewards system, effort and achievement are also acknowledged in various other ways including:

- ✓ Verbal praise.
- ✓ Comments in exercise books and student planners.
- ✓ Phone calls home.
- ✓ TV Screens and Notice Boards.
- ✓ Academy Newsletter which is sent home.
- ✓ Displays of work.

8. Unsatisfactory Behaviour

8.1 Whilst actively encouraging and rewarding good behaviour, Mossbourne's Behaviour Policy makes clear that unsatisfactory behaviour will not be ignored or tolerated. Boundaries are made clear and sanctions are applied when a student does not adhere to the code of conduct.

8.2 In order for unsatisfactory behaviour to be dealt with effectively, it is considered important to have the fullest picture of a student's behaviour so that any incident may be seen in the widest possible context. Such information will not only be used in judging what sanction is appropriate, but will also inform efforts to identify any underlying cause for the behaviour and to work with the student to improve their behaviour in future, therefore considered important and helpful.

8.3 Recording Unsatisfactory Behaviour

Incidents of unsatisfactory behaviour are logged in the Progress Teaching in the Behaviour Log. The decision taken is to be noted, even if no disciplinary action is recommended.

Adherence to the above will ensure compliance with the objectives set out in DfE Exclusions from Academy. It will ensure:

- That a pattern of behaviour be recognised;
- That Pastoral Team are aware when intervention is warranted, thus avoiding more serious consequences;
- Abnormal behaviour patterns are observed, which may be an indication of underlying factors;
- Appropriate action may be taken and
- In the event of exclusion all supporting material is available.

Form tutors should check the entries in the Progress Teaching Behaviour Log for their Tutees regularly. If an incident is considered serious or if a student is displaying inappropriate behaviour or having difficulties across the curriculum, Form Tutors should inform the Head of Year. This will trigger monitoring of the student and investigation into the possible cause of the behaviour/s. This will not always involve disciplinary action.

The Student Planner

The Student planner may be used to inform parents of unsatisfactory behaviour. Staff may write comments in the planner in the space for teacher comment. This should be seen by parents when checking and signing the planner and they may choose to record a response in the same section.

SEN Referral Form

Teachers should also consider whether it is necessary to liaise with the Head of Learning Area, Head of Year and Head of Inclusion which may result in a referral for an SEN Initial Concern Meeting. The Head of Year meets weekly with a member of the Curriculum Support Department to discuss students causing concern.

8.4 Procedures for Dealing with Serious Disciplinary Problems in Lessons

Should a member of staff encounter a disciplinary issue within a lesson, there are two possible courses of action.

1. Relocation to another senior member of staff. This would normally be the Head of Learning Area (HOLA) or Head of Year and, where possible, by prior arrangement:
 - The student should be sent, with their planner signed, and, where possible, accompanied by a Teaching Assistant or another staff member, to the senior member of staff.
 - The teacher must follow this up by logging the incident in the Progress Teaching Behaviour Log and consulting as soon after as possible with the HOLA or Head of Year.
2. Should the student refuse to leave the room or if the incident is so serious that relocation is neither appropriate nor adequate, then the alternative course should be followed:
 - A senior member of staff should be called upon by the teacher via email or another student in the class;
 - The student will be removed from the lesson by the senior member of staff and
 - The teacher concerned must follow up by recording the incident in the Progress Teaching Behaviour Log and consulting, as soon after as possible, with the HOLA or Head of Year.

8.5 Investigating Unsatisfactory Behaviour

In line with the Mission and Vision Statement, it is essential that the Academy is kept calm and safe at all times. For this reason, students may be withdrawn from lessons while incidents of concern are investigated by staff. Our culture of communication and disclosure means students may also be spoken to by staff, and/or asked to write statements, about things they have seen or heard. This applies to all students regardless of whether they have been involved in the unsatisfactory behaviour themselves. Though the academy endeavours to resolve incidents in a timely manner, teaching and learning and the smooth running of the Academy is prioritised.

8.6 Unsatisfactory behaviour when travelling to and from the Academy

Students who contravene the Student Code of Conduct at these times may be instructed to return to site and failure to follow this instruction would be dealt with seriously.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

Parents/Carers may be asked to drop off and collect students whose behaviour at these times mean they cannot be trusted or who have previously failed to adhere to the Student Code of Conduct at these times or who pose a risk to other students or themselves.

9. Anti-Bullying Policy

9.1 The Academy places high importance on creating and maintaining a calm and safe learning environment for all students. It is expected that all pupils are able to learn in a supportive, caring and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated.

A zero-tolerance approach is taken on all types of bullying. Incidents of bullying through social networking sites or any kind of cyber bullying will be dealt with in the same manner as other forms of bullying. There will be serious sanctions for students who are perpetrators of bullying. The Academy has a legal duty under the School Standards and Framework Act 1998 to draw up procedures to prevent bullying among pupils and to bring these procedures to the attention of staff, parents and pupils and to follow these principles.

9.2 Bullying is defined as deliberately hurtful behaviour, whether it be a single incident or repeated over a period of time, where it is difficult for those being bullied to defend themselves. Incidents may include, but is not restricted to:

- Physical (hitting, kicking, theft);
- Verbal (name calling, racist remarks, harassment);
- Indirect (spreading rumours, excluding someone from social groups);
- Coercing somebody to behave in a way which they do not want to and
- Cyber bullying.

9.3 The Academy's teaching and non-teaching staff must be alert to signs of bullying and act promptly and decisively in accordance with school policy.

Pupils are routinely encouraged to report bullying at the Academy. The Academy reiterates the expectation and fosters a culture of 'telling'. This extends to parents and/or carers who are encouraged to report changes in their child's behaviour or suspicions that their child is a victim of, or perpetrator of bullying.

Procedures

9.4 The following steps are taken when dealing with incidents:

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- If bullying is suspected or reported, the incident is dealt with immediately, or at the earliest opportunity, by the member of staff who has been approached or who has witnessed the incident;
- It is incumbent on the staff member to seek the support of a Senior Member of the Pastoral Team or the Head of Year if it is deemed the situation cannot be resolved satisfactorily;
- A clear account of the incident is recorded and given to the Head of Year or Senior Member of the Pastoral Team;
- The Head of Year or Senior Member of the Pastoral Team will interview all concerned and will record the incident;
- Form Tutors and other staff involved with the pupil including the CSD Team are kept fully informed and involved;
- Parents are informed either via the Student Planner, a telephone call, letter or a meeting, as deemed appropriate by the Head of Year;
- Punitive measures are used as appropriate and in consultation with all parties concerned;
- Mediation can be used to support pupils being bullied and the bullies and
- Counselling is also available to support both categories of pupil.

9.5 Pupils who have been bullied are supported by:

- Being offered an immediate opportunity to discuss the experience with a member of staff with whom they are comfortable to speak;
- Being reassured;
- Being offered continuous support;
- Being assisted to have their self-esteem and confidence restored;
- The opportunity of referral to support services as appropriate and/or
- The offer of a 'Resolution' meeting by Academy mentors.

9.6 Actions taken could also include:

- Discovering why the pupil became involved;
- Establishing wrong doing and need for change as appropriate;
- Informing parents or guardians to help change the attitude of the pupil

9.6 When dealing with bullying, the following disciplinary steps can be taken:

- Official warnings to cease bullying behaviours;
- Detention;
- Internal exclusion;

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- Fixed term exclusion;
- Permanent exclusion.

9.7 The policy is promoted and implemented throughout the Academy. For example:

- Anti-Bullying boxes are placed outside the offices of every Head of Year;
- 'I Need A Chat' boxes outside the offices of every Head of Year;
- Assemblies on Anti-Bullying and
- The PSHE curriculum.

9.8 It is expected that staff respond to all reports of bullying in a sensitive and swift manner. Students are reminded regularly that Mossbourne Community Academy has a culture of communication and disclosure. There is an expectation that parents and/or carers inform Academy staff should they suspect, or know, their child is being bullied. The planner also details important agencies outside of the Academy such as the NSPCC where students can seek support.

10. Harassment

10.1 Definition: Harassment may be defined as any hostile or offensive act or expression by a person against another person who interferes with the peace and security of that person, makes them fear for their safety, or reduces their quality of life.

10.2 Implicit in our ethos as an Academy is the fact that we believe we are all equal regardless of race, colour, culture, gender, sexual orientation or religion. We are an anti-racist Academy. The ethos of the Academy therefore fosters the spirit of regard and respect for each other and for all and all members of the community should feel valued and respected. As an educational establishment we also recognise that learning and growth can only take place when students and staff have the self-confidence, well-being and security that comes from being fully valued and respected and from experiencing equality of opportunity. Harassment has no place in our community and will not be tolerated.

10.3 Harassment may present itself in the following ways:

- Physical assault because of race, colour, culture, gender, sexual orientation or religion;
- Derogatory name-calling, insults and jokes;
- Offensive graffiti;
- Provocative behaviour such as the wearing of racist badges or insignia;
- Bringing offensive materials such as leaflets, comics, magazines into the Academy;

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- Verbal abuse and threats;
- Acting in breach of the Code of Conduct by making physical contact;
- Pressuring a student to engage in behaviours either in person or online;
- The sending of unsolicited images;
- Incitement of others to behave in an offensive way;
- Attempts to recruit other student to certain organisations and groups;
- Ridicule of an individual for cultural differences, e.g., diet, music, dress, etc.
- Refusal to co-operate with other student because of race, colour, culture, gender, sexual orientation or religion.
- Use of social media platforms to pursue a fellow student in any of the aforementioned way

10.4 Sexual harassment

Sexual harassment specifically may present itself in the following ways:

- Unwanted physical contact of any kind;
- Offensive comments of a sexual nature;
- Coercive, controlling behaviour;
- Unwanted pressure e.g., for a date or image/s;
- Cat calling or making inappropriate noises;
- Unwanted attention, for example staring;
- Spreading rumours of a sexual nature and/or inappropriate facial expressions or gestures.

10.5 Procedures for Dealing with Harassment

Harassment, in any form is totally unacceptable and will be dealt with in the following ways:

- Reported to Head of Year and Pastoral Team;
- Recorded in the Progress Teaching Behaviour Log as harassment;
- Both victims and perpetrators parents and or carers will be advised, in full;
- In accordance with the DfE guidelines, harassment will likely result in exclusion for any student found to be a perpetrator in any way and
- External agencies will be informed, where appropriate, for all parties.

10.6 Victim Support

The Academy will take steps to comfort and support any student who experiences harassment. The actions taken to deal with the offender will be explained and the attitude of the Academy towards such behaviour clearly stated. The victim will be given the opportunity to express their

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

own concerns and feelings, and counselling will be provided where necessary. In serious cases, the Academy will arrange a meeting with the parents of the victim to explain the action taken and to discuss the matter with them. Restorative justice may also be used and managed by Learning Mentors upon the request of the Head of Year. For restorative justice to be successful all parties must be fully willing to participate.

11. Violent Behaviour

11.1 The Academy operates a 'no physical contact' rule; this includes aggressive and non-aggressive physical contact. This rule must be managed and imposed in a measured way. It is made clear to all students, routinely, that physical contact of any nature will not be tolerated. Incidents of physical contact will be dealt with immediately, logged on the Progress Teaching Behaviour Log and parents will usually be informed.

11.2 Mossbourne Community Academy will not tolerate the use of physical violence to resolve any situation or conflict and provocation is not seen as justification for resorting to violent behaviour. This is different to self-defence. It is highly likely that any student involved in an incident of physical aggression, whether provoked or otherwise, will be excluded for a period of time, as deemed appropriate by the Principal.

Procedure for dealing with fights

Incidents of this nature will result in exclusion. The member of staff who first attends the incident should:

- Ensure that the students are checked to confirm that they do not need medical attention;
- Remove them to a quiet area and keep them isolated from each other and
- Inform the Head of Year, or if not available, a member of the Senior Pastoral team.

Procedure for dealing with knives and offensive weapons

This is shown in Appendix 3.

12. Drug Education and Management of Drug-Related Incidents

This section refers to illegal drugs and solvents. The Academy policy on smoking tobacco, smoking vapes and alcohol is set out in the section that follows.

Key Contacts

Designated Safeguarding Leads, this includes, but is not limited to, all members of the Pastoral Team.

Aims

In accordance with our mission statement, which recognises the value of each and every student, the Academy's commitment is to ensure that all are given the fullest encouragement and support to achieve their potential. Mossbourne Community Academy aims to provide support, both educationally and pastorally, to enable its students to make informed choices and to receive positive help should drug-related problems arise. This policy on drug education and the handling of drug related incidents follows the same principles as all other Academy policies, acknowledging that young people are very vulnerable and meeting their needs must be our main concern and responsibility;

The aims of this policy will be made clear to students through the PSHCE programme and PSHCERSE, form time and assemblies and the wider curriculum.

Objectives

- To provide a high-quality drug education programme, delivered primarily through PSHCE, but also through the wider curriculum, which will provide knowledge and understanding about the dangers of drug misuse and therefore to make informed decisions;
- To provide opportunities for students to develop the attitudes and skills needed to avoid drug misuse;
- To enable and encourage students who are misusing drugs to seek help;
- To make clear the Academy's attitude and response to drug education and to students who have drug-related problems, in order to facilitate a clear and consistent approach to dealing with drug-related incidents and drug education and
- To ensure students receive the maximum support, the Academy welcomes the services of a PHCT Nurse. Students may self-refer or be referred by staff.

12.1 Drug-related Incidents

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

The Academy's response to any suspicion or evidence of drug abuse is a carefully controlled and planned one in keeping with the DfE guidelines. Any incident of suspicion or evidence of drug abuse should be reported following the academy safeguarding protocols.

12.2 Referral of concerns

- Any member of staff suspecting the use of drugs or solvents must report the matter immediately in line with safeguarding protocol;
- The Designated Safeguarding Leads have responsibility for co-ordinating responses and referrals. Disclosure by the student is not a prerequisite for taking action and
- All information gathered, and reasons for action and inaction, are kept separately and confidentially, in the student's child protection file.

12.4 Response to concerns

- All incidents will be responded to individually. Considerations will include the age, background, physical and mental health of the young person, those involved, the drug involved, the risks, whether Academy rules were broken, and whether the activity is illegal. Having considered these aspects, decisions will then be made regarding whether to involve the parents, the police, social care, Child and Adolescent Mental Health Services, and whether the matter will be dealt with confidentially or not;
- The Academy has no legal right to break confidentiality without the student's permission unless there are issues of safeguarding, including illegality.
- Possession or supply of drugs on Academy property is a clear example of illegal activity.
- The Principal will make the final decision of how to respond to drug-related incidents. The decision to permanently exclude any student who is in possession of, or is implicated in the concealment, sharing or selling of, illegal substances on the Academy site, whilst wearing Academy uniform or to Academy students, is most likely.

12.5 Teacher Guidelines for Responding to Drug Use by Student

Confidentiality

While students should always be encouraged to tell their parents if they have a drug-related problem, staff must be clear that all young people have the legal right to confidentiality regarding access to advice and information services. Parents should not be informed when student requests help for drug use unless the student has consented or if failing to inform a parent may place a student at greater risk of harm. Teachers must not give advice, only information. Students requesting advice should be directed to the Head of Year or an Academy DSL.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

Health and Safety

The Academy will be vigilant when taking students on Academy trips, when the opportunity for drug use may present itself. This includes smoking cigarettes, 'Vapes' or the drinking of alcohol. The rules regarding this and the sanctions for breaking these rules should be made clear at the beginning of all such trips.

Medical Emergency

Acute intoxication, physical collapse or unconsciousness can result from drug or solvent abuse. In a drug-related emergency staff should contact the Academy Medical Welfare Officer, or another trained first-aider, so that medical help can be given, and emergency services called if appropriate. The Head of Year and Designated Senior Lead for Safeguarding should also be informed immediately.

Discovery of Drugs on the Academy Premises

Any drugs found on Academy premises, when the owner cannot be identified, should be given to a Senior Designated Safeguarding Lead immediately who will contact the Safer Schools Police Officer. This section of the police has an established working relationship with the Mossbourne Federation, and already plays a part in the PSHCERSE programme providing input on a variety of issues to students in lessons.

The Supply of Drugs

In cases where staff become aware that drugs are being supplied to students either on or off the Academy premises, whether being sold or shared, whether by adults or other young people, the Academy's safeguarding protocols must be followed. The Safer Schools Police Officer will be contacted. All students involved, whether supplying or receiving drugs will be referred to external agencies, as appropriate. Academy sanctions will be decided by the Principal having followed the previous mentioned considerations when dealing with a drug-related incident. It is highly likely that any student found to be responsible for supplying drugs to other students, either on site or off-site, will be permanently excluded from the Academy. It is highly likely that any student found to be purchasing or sharing drugs either on site or off-site will be permanently excluded from the Academy.

13 Smoking Tobacco, Smoking 'Vapes' and Consuming Alcohol

13.1 Students are not permitted to smoke or consume alcohol on the premises, whilst wearing Academy Uniform or whilst partaking in Academy Business e.g., a trip.

13.2 Students found smoking or drinking alcohol or believed to be smoking or drinking alcohol, because of the situation in which they are found, will be given an appropriate sanction. All incidents will be responded to individually, and context will be considered. Context includes age, background, physical and mental health of the young person, the risks, whether Academy rules

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022

were broken, and whether the activity was illegal. Having considered these aspects, decisions will then be made regarding whether to involve parents and/or carers, the police, social care, Child and Adolescent Mental Health Services, and whether the matter will be dealt with confidentially or not.

13.3 Should a teacher be suspicious that a student has been smoking tobacco, smoking 'Vapes' or drinking alcohol or be found to be smoking tobacco, smoking 'Vapes' or drinking alcohol, the academy's safeguarding protocols must be followed immediately.

14 The Use of Sanctions

Where a student's attendance, behaviour or work is unsatisfactory, there should be an appropriate response.

14.1 Principles

Whole groups should not be punished for the activities of individuals unless there are exceptional circumstances. Every effort should be made to identify individuals or ringleaders;

- Punishments should be in proportion to the incident and
- Students should be clear about why they are being punished and how.

14.2 Sanctions and Interventions

A range of sanctions and interventions exist, and care is taken to apply the sanction and/or intervention most appropriate to the student concerned and the nature of the misdemeanour. These include but are not limited to:

- Verbal warnings;
- Verbal reprimands;
- Moving a student's position in class;
- Relocation to a senior member of staff;
- Withdrawing other privileges e.g., playing basketball at lunch time, representing the academy at an event;
- Detention (further details in section 15);
- Informing parents and/or carers by letter, phone call or inviting parents and/or carers to a meeting;
- Community based sanction e.g., picking up litter or cleaning graffiti;
- Referral to the Head of Year or a member of the Extended Leadership Team;
- Being placed on Report (further details in section 18);

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- Removing a student from a specific subject lesson for a period of time (only Head of Learning Area);
- Learning Support Unit (further details in section 16);
- Behaviour Support Plans and Pastoral Support Plans (further details in section 19);
- Alternative Provision Centre (further details in section 17)
- Fixed term and/or permanent exclusion (see Exclusion Policy available upon request from the academy).

15 Detention Policy and Procedure

Detention is one of the sanctions schools can use in cases of misbehaviour. Section 5 of the Education Act 1997 gives schools authority to detain students outside of school hours on disciplinary grounds. The following section of the policy details the legal position for schools as laid down in the 2011 Education Act:

The Education Act 2011 removes the legal requirement to give parents 24 hours' notice before detaining pupils after school. The Act confirms schools' powers to use detentions by making it lawful for schools to put students in detention without parental consent at a variety of times outside school hours.

The sanction of detention can be applied to all students on roll. The times when detention without parental consent may be given are: during the school day i.e., break and lunch times; before or after the school day; Saturdays and non-teaching days (INSET Days). Students will always be given the opportunity to use the toilet should they need to and have lunch if the detention is set at lunch time and for the whole lunch period.

Although legally the Academy does not have to give 24 hours' notice, where detentions after school are given, the Academy will endeavour to notify parents and/or carers via the Student Planner, letter via PAM Parent, or a telephone call home. For all other detentions it is the student's responsibility to ensure that their parent is informed via the Student Planner.

This policy is made clear to parents in the Transition Handbook.

15.1 Subject Teacher Detentions:

- Teachers will have their own arrangements for holding detentions for unsatisfactory work, behaviour, homework, or lateness to lessons;
- These may take place at break, lunch or after school and

Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- When detentions are set, the teacher setting the detention should log the detention on Progress Teaching Behaviour Log; this ensures that the Form Tutor and Head of Year can monitor the behaviour.

15.2 Senior Detention:

Parents/Carers may be asked to accompany to and from the Academy for this detention.

- Is held every evening until 6pm every day in term time;
- Can only be authorised by, and is supervised by, members of the Extended Leadership Team and/or Pastoral Team and
- Is set for serious misdemeanours or persistent breaches of the Student Code of Conduct.

15.3 The Senior Leadership Team Detention

Parents/Carers may be asked to accompany to and from the Academy for this detention:

- Is held every Saturday morning (term time only) between 9am and 12 noon;
- Can only be set by the Pastoral Team, Senior Leadership Team or the Principal;
- A letter is usually sent home to the student's parent and/or carer to give notice;
- Is supervised by a member of the Extended Leadership Team and
- Is set for serious misdemeanours or persistent breaches of the Student Code of Conduct, usually, but not always, when a Senior Detention has already been sat and has not modified the student's behaviour.

Failure to attend a detention will be deemed serious and a more severe sanction issued. Repeated failure to attend subject teacher detentions or failure to attend a Senior Detention, Senior Leadership Team Detention or a Principal's Detention will result in a much more severe sanction e.g. the student being placed in the Learning Support Unit or exclusion.

16. Learning Support Unit

The Learning Support Unit (LSU) is both a sanction and intervention. It is housed on site but in a separate building away from the main student body. The LSU is supervised at all times by a range of experienced teachers and Learning Mentors. Students complete work and/or reflection tasks, as directed by subject tutors and/or their Head of Year, based on the reason, and the length of time, they are in the LSU for.

16.1 Purpose:

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- To act as a deterrent and prevent students making negative behaviour choices;
- To protect the learning of other students;
- To protect the welfare of other students;
- To signal to students the seriousness of their behavioural choices and
- To support students in making more positive behaviour choices in future.

16.2 Use:

Students work in the LSU upon return from a fixed period exclusion for a period of one day or more. Students sometimes work in the LSU as an alternative to exclusion. Reasons may include, but are not confined to, persistent breach of the Student Code of Conduct, breach/es of the Uniform and Appearance Policy, where a behaviour they demonstrate is so serious that it requires them to be removed from mainstream lessons, or the student body as a whole. The serious behaviours include but are not limited to:

- Insolence / rudeness to staff;
- Defiance towards staff;
- Bullying / threatening behaviour / harassment;
- Physical aggression;
- Theft from the academy;
- Failing to follow instructions;
- Failure to attend a Senior Detention or Senior Leadership Team Detention.
- Truancy;
- Racial / religious/homophobic/gender/sexual/disability harassment;
- Vandalism to academy property and/or
- Inappropriate use of social media or electronic forms of communication which significantly disrupt the smooth running of the academy.

16.4 Further Support:

If a student is placed in the LSU additional support may be provided (provision will be decided on an individual basis) and is likely to include one or more of the following:

- Parent/Carer telephone conversation;
- Parent/Carer meeting;
- Being placed on Report;
- Reintegration Support Plan;
- Behaviour Support Plan;
- Learning Mentor.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

16.5 Usually, students will spend no more than five consecutive school days working in the Learning Support Unit. For some students, longer term removal from the main student body may be required, this decision can only be made by a member of the Senior Leadership Team and will be clearly communicated to parents/carers. The Alternative Provision Centre will also be considered in these circumstances.

17 Alternative Provision Centre

The Alternative Provision Centre (APC) is an internal unit for students who need significant additional support to be successful. It is housed on site but in a discrete classroom away from the main student body. The APC is supervised at all times by the Head of the APC (in their absence by a member of the Extended Leadership Team oversees the APC), with additional Teaching Assistants and/or Learning Mentors as required. Whilst in the APC students receive a broad and personalised curriculum and usually have a reduced number of hours on site.

17.1 Purpose:

- To provide intensive support for students demonstrating behaviours which place them at risk of permanent exclusion, fixed period exclusions or repeated placement in the Learning Support Unit;
- To provide an alternative to permanent exclusion for students in Key Stage 4, depending on the nature of the behaviour and the student;
- To support students to return successfully to mainstream education at the academy after a set period of time;
- To support students in transitioning to a new (often specialist) provision that is more appropriate for their ongoing education;
- To protect the learning of other students;
- To protect the welfare of other students;
- To support students in making more positive choices in future;
- To support students who have complex, contextual safeguarding need and/or
- To support reintegration following school refusal.

17.2 Use:

A student will only be placed in the APC after extensive discussions have been held between the Head of Year, the SLT members who lead on Pastoral Care, and the Head of SEN Inclusion. If they agree that placing the student in the APC is in the best interests of the student and/or the academy, then the APC Referral Form will be completed and a meeting will be organised with parents and/or carers.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

17.4 The length of placement in the APC is entirely dependent on the student and the circumstances. Some students may benefit from shorter term placements of a couple of weeks but for others a longer placement of half a term or even a term may be appropriate. Occasionally, permanent placement in the APC will be appropriate as an alternative to permanent exclusion.

18 Supporting Students Whose Behaviour Needs to Improve

At Mossbourne Community Academy we believe the most effective way of managing behaviour is to praise and reward good behaviour (see Rewards). Where students are having difficulty conforming to the expected standards of behaviour in the Academy, various strategies may be employed to help them to improve.

18.1 The use of a report, although a sanction, serves the dual purpose of enabling the staff to provide instant and usually positive feedback to a student at the end of every lesson. This is particularly effective because it is taken home for a parent and/or carer to review and sign every evening. Some students enjoy being 'on report' and ask to be put on report when they feel their behaviour is deteriorating. The academy uses the following daily reports:

- Form Tutor
- Head of Learning Area
- Head of Year
- Specialised Head of Year
- Curriculum Support Department
- Extended Leadership Team
- Reintegration
- Senior Pastoral Report
- Principal

18.4 One to one sessions with specialist teachers or Learning Mentors are also used to help students to develop strategies to improve their behaviour.

18.5 For students whose attitude or behaviour is seen to be deteriorating rapidly and/or who are deemed to be at risk of fixed period exclusion a Behaviour Support Plan (BSP) will be put into place. More detail is provided in section 19.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

18.6 For those students whose attitude or behaviour is seen to be deteriorating rapidly and/or who are deemed to be at risk of permanent exclusion or of leaving the Academy altogether due to disaffection, a Pastoral Support Plan (PSP) will be put into place. More detail is provided in Section 19 below.

19 The Pastoral Support Programme

The Pastoral Support Programme (PSP) will identify precise and realistic behavioural outcomes for the student to achieve through the development of either a Behaviour Support Plan or Pastoral Support Plan.

19.1 It will be agreed with parents/carers as a result of a meeting with them. External agencies may be invited.

19.2 This meeting will consider the causes for concern and suggest steps to improve the situation. Agencies such as Education Welfare, the Educational Psychological Service, Social Services, Police, Counselling, Hackney Social Care and other voluntary organisations, will be involved as appropriate.

19.4 In drawing up the plan the Academy will, in discussion with others:

- consider what additional specialist support may be appropriate;
- review any learning difficulties and put in place a remedial programme where necessary;
- consider changes of sets or class;

19.5 The Plan will have clear targets, a time limit, be monitored regularly and should be formally reviewed every four to six weeks dependent on the type of plan and student attendance.

19.6 The success criteria will be recorded alongside rewards for meeting targets and sanctions for non-compliance.

19.7 At the end of the agreed period the intervention package may, according to successful implementation:

- be reduced or removed;
- be continued for a further period with or without amendments;
- be (if a BSP) escalated to a PSP and

- where there has been no improvement and the student has been on a PSP for a sustained number of reviews, the Principal may decide to permanently exclude.

20 Restraint (Positive Handling): Summary Guidance on its use with a student

20.1 The Education and Inspections Act 2006 enables school staff to use "such force as is reasonable in the circumstances to prevent a student from doing or continuing to do" any of the following:

- Committing any offence (or, for a student under the age of criminal responsibility, what would be an offence for an older student);
- Causing personal injury to any person (including the student themselves);
- Causing damage to the property of any person (including the student themselves);
- Causing damage to Academy property;
- Prejudicing the maintenance of good order and discipline at the school, and among any student receiving education at the school, whether during a teaching session or otherwise;

20.2 This may be on the Academy premises or "elsewhere at a time when as a member of staff has lawful control or charge of a student concerned".

20.3 All incidents of restraint must be reported as soon as possible to a member of the Senior Pastoral Team.

20.4 A Restraint Record is kept in the Confidential Pastoral Folder and the following points should be recorded:

- Date, time and location of incident;
- Circumstances and significant factors which led to the incident;
- The duration and nature of any physical restraint used;
- The names of the student(s) and staff involved;
- A description of any injury sustained by the student(s) or staff member(s);
- A description of any action taken after the event;
- The full name and job title of the person making the report and
- The signatures of: the person who applied the restraint, the person making the report, the Vice Principal (Pastoral), Assistant Vice Principal (Pastoral) or the Senior Master.

20.5 Examples of cases at the academy which restraint might be used include:

- When the safety of (an)other student(s) is threatened;

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

- When self-injury is being, or is likely, to be caused;
- When a child or vulnerable young person is exposing him/herself to potential danger by seeking to leave the premises or a vehicle;
- When the safety of a member of staff or a visitor is threatened and
- When there is risk of serious damage to property.

20.6 Acceptable Forms of Restraint (reasonable force):

- A safe holding tactic by which a student is restrained as far as possible without injury to any parties or until they calm down;
- Physical contact with a student designed to limit their movements, which are posing a danger or involving serious disruption;
- The physical removal of a child from one place to another;
- The use of any physical force necessary to remove a weapon/dangerous object from a student's grasp, when they are in the act of assaulting another person or looks likely and able to do so.

20.7 Unacceptable Forms of Action:

Any act, or the threat of an act, examples of which are hitting, kicking, slapping, punching, poking, prodding, biting, throwing an object, unnecessarily rough handling or shaking which causes or threatens harm or the expectation of harm, even in the heat of the moment. Such acts would constitute an application of force as punishment and would fall under the definition of unlawful corporal punishment, which is illegal under Section 548 of the Education Act 1996, unless they have been undertaken within the context of self-defence and/or the defence of others.

20.8 Procedures:

Before taking action, which may involve restraint a member of staff should endeavour to follow these procedures:

- Give clear instructions to the student as to what is required of them;
- Warn the student, wherever possible, of the possible consequences of failure to comply (e.g., "If you continue to do that, I will have to stop you"). Whatever warning is used must **not** contain any threat of physical assault;
- If at all possible, summon a second colleague. This reduces the risk of the first member of staff suffering physical violence or becoming emotionally involved and additionally provides a witness in case a complaint is subsequently received.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

During the exercise of physical restraint staff must:

- Use only minimum force;
- Use only such force for the minimum period necessary;
- Keep talking to the student to try to calm the situation;
- Keep their own temper under control;
- Seek to avoid any injury to the student and
- Cease the use of restraint as soon as safety is re-established.

21. Effective Home Academy Liaison

As an Academy, we firmly believe that it is always in students' best interests to involve parents in decisions and when there are concerns. We welcome the involvement of parents and carers in all aspects of students' progress and recognise that working alongside parents and carers is instrumental in enabling a child to fulfil their potential. We expect parents and carers to support their children by attending meetings, including Parents Evenings when required. There is an insistence and an expectation that both staff and parents and carers interact in a professional and polite manner.

22 Educating a Student Offsite

The Academy takes the safeguarding of its students and teachers very seriously. There may be occasions where the Academy needs to exercise discretion in terms of where a student receives his or her education. To this end, the Academy may elect to find alternative locations for the provision of a student's education, if it is deemed that in so doing, the safety and wellbeing of either students or teachers is enhanced

23 Uniform & Appearance

Injustice, discrimination and intolerance go against the core tenets of the Mossbourne Federation ethos.

We actively reject discrimination in our academies through confronting discrimination, should it occur, and through regular reviews of our working practices and policies at all levels, including board level. We are committed to developing and supporting inclusivity, diversity and anti-racism in every facet of what we do.

All stipulations in our policy and expectations will be applied with full consideration of our students' cultural, social, religious background, sex and gender identity.

23.1 Objectives of the Uniform and Appearance Policy

Mossbourne Community Academy's Uniform and Appearance Policy has full regard for the Department for Education's Guidance on School Uniform (September 2013) in which the DfE strongly encourage schools to have a uniform as it can play a valuable role in contributing to the ethos of a school and setting an appropriate tone.

There are five objectives behind each academy's Uniform and Appearance Policy:

1. Equality
2. Unity
3. Wellbeing
4. Self-Discipline and Respect
5. Excellent Outcomes

23.1. 2 Equality

Having a Uniform and Appearance Policy removes the potential for a socio-economic and cultural divide and divisions caused by sex or gender identity. The policy thereby fosters an egalitarian culture in the academy. It places students from a range of backgrounds on a level footing amongst peers from their first day on roll.

23.2.3 Unity

Having a Uniform and Appearance Policy improves cohesion and creates a sense of belonging to a school community. It reduces superficial distractions thereby creating a sense of unity and purpose (this is an essential element of successful collaboration) in the classroom, in the playground and when travelling to and from the academy. As a result of this sense of unity, students feel proud to be a 'Mossbournian' and want to represent themselves and the academy in the best possible light.

23.2.3 Well-being

Having a Uniform and Appearance Policy makes it possible for students to build relationships through genuine networking skills and interests rather than popularity. It reduces the opportunities for cliques or negative group identities to form and/or be brought into school. Students' self-confidence is increased when they do not feel pressured to wear certain types of clothes or have the latest haircut and the opportunities for bullying are significantly reduced. Students are valued for their character and achievements rather than appearance.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

23.2.5 Self-Discipline and Respect

Having a Uniform and Appearance Policy means that students engage with their education before they even arrive at the gates. It requires self-discipline and organisation to consistently adhere to any policy, daily, and the self-discipline becomes habitual and is gradually transferred to other aspects of education, including behaviour and study skills.

Title:	Behaviour, U & A and Attendance	Last MCA Review Date:	January 2022
Written by:	Principal/VP Pastoral	Governing Body Review:	Following significant Change

23.2.6 Excellent Outcomes

If students' appearance is equal, students are united in their purpose, feel safe and valued, are self-confident, self-disciplined and respectful then they acquire the foundational skills and sense of self required for success. Having a Uniform and Appearance Policy, as well as contributing to this foundation, leads to excellent outcomes because the collective focus is on teaching and learning; potential distractions have been removed from the classroom environment and time is not lost dealing with potential bullying issues related to appearance.

23.2.7 Mossbourne Uniform and Appearance Expectations

- It is expected that all students will travel to and from the academy every day in neat, clean uniform as specified in appendix 5 giving the clear message that our students take pride in belonging to the Academy.
- Any student who breaks a condition of the Mossbourne Uniform and Appearance Expectations will receive a sanction in line with the behaviour policy and may be sent home, removed from normal circulation or placed in the Learning Support Unit. As per the Home Academy Agreement, parents/carers must support their child in adhering to this policy.
- It is strongly recommended that parents/carers are present when uniform is purchased and haircut appointments take place. There are two uniform options for students to choose from, these are detailed in Appendix 5.
- Uniform exceptions may be made by the Principal but only where this is required as a matter of sincere religious observance. The Principal's decision is final.
- Underclothing, including thermals and vests, must not be noticeable and must be uniform colours.
- No make-up or nail varnish may be worn. Lip balm can be used but must not alter the natural appearance of the lips and must never be applied during lessons.
- Students may not write or draw on their skin, this includes having permanent or temporary tattoos that are visible.
- The Principal has ultimate discretion in establishing what is and is not acceptable.

24 Attendance

Excellent attendance is essential to ensure students reach their academic potential, learn social skills, form secure friendships, have opportunities to learn team values and life skills, understand career pathways, and develop cultural awareness and racial literacy. Poor attendance increases the chances of young people underachieving, becoming victims of harm, Child Sexual Exploitation (CSE), Child Criminal Exploitation (CCE), radicalisation or becoming NEET (not in education, employment or training).

24.1 The academy sets a target of at least 97% attendance for every student. While parents have a legal responsibility to ensure their child attends school regularly, the academy will consistently promote good attendance and put support in place where poor attendance becomes a concern.

24.2 Monitoring and Recording Attendance

Monitoring of students' attendance is an important part of safeguarding. The academy will act early to reduce absence particularly where there is a pattern of absence or persistent absenteeism. This is to ensure students have access to the full-time education to which they are entitled. The legal 'am' register is taken by Form Tutors each morning during Tutor Time, between 8.20 – 8.40am. A further legal register is taken by class teachers at the start of Period 5 (1.35pm). Wherever possible staff should take their register within 5 minutes of the start of each lesson, to ensure that all students are present in their timetabled lessons.

24.4 Absence

Students should only be absent if they are very ill, are legally required to work remotely or there are serious circumstances that the academy considers extenuating. Holidays and absences for any reason other than the aforementioned, during term time, will not be authorised. Medical evidence may be required for absence that occurs on the last or first day of a half-term.

24.4.2 Where a parent/carer decides a child is too unwell to attend the academy, they are expected to call the academy before 8.00am on each day of absence, leaving a message which includes the name of the student, year group, tutor group, reason for absence and expected return date. Where this does not happen and a student does not arrive at the academy, the academy will endeavour to make contact with home. The responsibility lays with the parent or carer to contact the academy in the event of non-attendance.

Title Behaviour	Last MCA Review Date:	January 2022
Written by: VP Pastoral (KD)	Board of Trustees Review:	March 2022

24.4.3 If the academy is concerned about the safety and wellbeing of a student who is not in school, external agencies may be contacted this includes the police and Children’s Social Care.

24.4.4 Once a student returns to the academy following an absence, they should bring a note from a parent/carer informing the academy of the date/s and reason for the absence. The academy will decide, based on the information they hold, whether the absence was reasonable, and decide whether to record the absence as authorised, or unauthorised.

24.4.5 Parents/Carers should endeavour to arrange all medical appointments outside of academy hours. Where this is not possible, parents should provide their child with the medical letter which details the appointment. The student should then see their Head of Year at least 24 hours in advance, at break time, so the appointments can be authorised and permission to sign out of the academy can be written into the Student Planner.

24.5 Poor Attendance

Where a student’s attendance falls below 97%, or is a cause for concern for any other reason, the academy will undertake actions to support both the parents/carers and the student in improving their attendance. This includes sending letters home, meeting with parents, liaison with the Educational Welfare Service, and liaison with the Local Authority.

Where a student does not attend the academy for five or more consecutive school days, medical evidence will always be required, in order for the absence to be authorised. The academy will request for home visits to be made by the Education Welfare Service, or Police, where there are persistent attendance concerns, or where the academy is concerned about the safety and wellbeing of a student. For some students whose attendance rate is a concern, medical evidence will be required to authorise absence.

The academy will pursue statutory action from the local authority in the form of Fixed Penalty Notices and court action, in line with Hackney Education thresholds or where poor attendance, unauthorised absence, persistent absenteeism, school refusal or term time holidays are of a concern.

24.6 Children Missing in Education (CME)

Children going missing, particularly repeatedly, can act as vital warning sign of a range of safeguarding possibilities including Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE). CME are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life. As such, early intervention is vital and staff will monitor student attendance through twice-daily registers and refer all cases of concern. Where individual staff have concerns about a student being a CME, they

Title Behaviour	Last MCA Review Date:	January 2022
Written by: VP Pastoral (KD)	Board of Trustees Review:	March 2022

should complete an initial concern form in line with the Child Protection and Safeguarding Policy. This will then be dealt with in line with both policies, and relevant professionals including the local authority and Children’s Social Care will be contacted where appropriate.

24.7 Punctuality to the academy

Good punctuality to the academy is important in supporting students to form a positive routine, be organised and have a successful start to the day. Being on time for appointments, classes and meeting signals that pupils care and affords respect to peers and colleagues.

All students arriving late to the academy, between 08.18 – 08.40, must report to their Head of Year at breaktime. They will usually receive a stamp or note in their planner to this effect issued by a Late Monitor. Students receive escalating sanctions dependent on the number of times they have been late in each full term.

If a student arrives after 8.40am, they will enter the academy through reception. They will receive a ‘late mark’ on the register and will be sent directly to their Head of Year’s office or teaching classroom. Students will always be expected to catch up on work missed due to being late to the academy and report to their Head of Year at break-time.

24.8 Punctuality to lessons

Students are expected to attend lessons on time in order to ensure no learning time is lost. Students are not allowed to visit the toilet, the Attendance and Welfare Officer, or any other member of staff without permission, during lesson transitions and may be sanctioned in line with this policy if they do so.

25 Monitoring and Review

Mossbourne Community Academy will endeavour to review the Behaviour, Uniform and Appearance, and Attendance Policy annually, as recommended by the DfE.

Appendix 2: Student Code of Conduct

I must:

- show courtesy to my fellow students, all staff, and any visitor to the Academy. I should stand back for adults at doorways, holding the door open if possible, and greet all adults by wishing them 'good morning' or 'good afternoon';
- follow the instructions of, and obey, all members of staff without argument, straight away. If I feel I have been unfairly treated then I should either speak to the teacher or another member of staff, at a convenient time;
- be honest at all times, including when a disciplinary matter is being investigated;
- respect other individuals' personal space. Deliberate or careless physical contact is not allowed;
- value diversity, tolerance, inclusion, and individuality. Bullying and harassment of any description, particularly in relation to disability, ethnicity, gender, religion and sexual orientation, whether on site, off site, or online is unacceptable;
- treat students of both the same and opposite sex respectfully. I will not objectify other students, make inappropriate comments towards them, make them feel pressured or uncomfortable or demonstrate any behaviours that could constitute sexual harassment;

Appendix 3: Searching, Screening, Knives and Offensive Weapons

It is illegal to carry knives or other offensive weapons both outside of the Academy or on and around Academy premises. The Governing Body at Mossbourne Community Academy recognises that the presence of weapons, or items which could potentially be offensive weapons, in the Academy would not only create unacceptable risks of bullying, injury or death, but also create a climate that undermines the educational purposes of the Academy. It is for this reasons that all students must be compliant when a member of staff searches their belongings or possessions.

Accordingly, it is Academy policy to **forbid** the possession, custody and use of weapons by unauthorised persons in, on or around, the school premises and during school activities.

These rules apply at all times except where an item, which could potentially be an offensive weapon, is issued to a student by a member of staff at the Academy or is required by the Academy for the purposes of teaching and learning, as necessary, for the delivery of the curriculum. Misuse of such items will be dealt with as though possession was not authorised.

For the purpose of this policy a 'weapon' is:

- A firearm of any description, including starting pistols, air guns and any type of replica or toy gun;
- Knives, including all variations of bladed and pointed objects i.e.: pocket knives, craft knives, scissors etc.;
- Explosives, including fireworks, aerosol sprays, lighters, matches and
- Laser pens or other objects, even if manufactured for a non-violent purpose but has a potentially violent use i.e.: the purpose of keeping or carrying the object is for use, or threat of use, as a weapon.

Any student found to be in breach of the policy shall be subject to sanction under Mossbourne Academy's Behaviour Policy.

The **permanent exclusion** of any student in possession of an implement which the Academy believes is intended for use as a weapon, or possession of a weapon or use of an implement as a weapon is most likely, though the Principal maintains the right to make the final decision. In most circumstances the police will be contacted.

Staff involvement where a weapon is suspected

Under most circumstances, both the Police and the Safer School's Police Officer should be informed of any incident believed to involve a weapon. However, where, in the judgement of the staff, the circumstances are *wholly innocent* and there is *no* suggestion of the use of the article as a weapon, the matter may be dealt with internally on a disciplinary basis.

When contacting the Police and the Safer School's Police Officer, the Academy should give their evaluation of the seriousness of the incident, (i.e. in progress, threat to life, or down to weapon, secure for collection only) to help the police to make their own judgement on the nature and immediacy of the response required.

There may also be some exceptional circumstances where members of staff who have been made aware that a weapon may be on Academy premises, decide that they need to take action before the Police arrive. If this is the case:

- Designated staff should always be called to assess and manage any situation where an offensive weapon is suspected;
- Where there are reasonable grounds to suspect that a student might have in their possession an offensive weapon, knife or blade, it might be appropriate for an authorised member of staff, to conduct a search of that student or his/her possessions with or without the student's consent;
- In making that decision, a risk assessment approach should be adopted and it should be noted that such immediate preventive action could either prevent a potentially dangerous situation escalating or could, conversely, inflame the situation and
- Such a search may only be carried out where the member of staff and student are on school premises or are elsewhere and the member of staff has lawful control or charge of the student.

Searching Students

Principals and staff authorised by them have a statutory power to search students, or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item. If a student refuses to be searched, the Academy may refuse to have the student on the premises.

Prohibited items are:

Title Behaviour	Last MCA Review Date:	January 2022

- knives or weapons;
- alcohol;
- illegal drugs;
- stolen items;
- tobacco and cigarette papers;
- fireworks;
- pornographic images;
- any article that the member of staff reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the student) and
- any item banned by the school rules which has been identified in the rules as an item which may be searched for.

A member of staff carrying out a search:

- May **not** require a student to remove any clothing other than outer clothing, i.e.: any item of clothing not being worn wholly next to the skin or immediately over a garment being worn as underwear;
- Should be of the same sex as the student;
- Should carry out the search only in the presence of another member of staff who should also be of the same sex as the student and
- May seize and retain any item found which is strictly prohibited and has been identified in the rules as an item which may be searched for. This includes mobile phones which may be retained by the academy for an unlimited period. It is usual practice for mobile phones to be confiscated for 10 school days but this may be extended, as appropriate.

Screening

What the law allows:

- Schools can require students to undergo screening by a walk-through or hand-held metal detector (arch or wand) even if they do not suspect them of having a weapon and without the consent of the students;
- Schools' statutory power to make rules on student behaviour, and their duty as an employer to manage the safety of staff, students and visitors, enables them to impose a requirement that students undergo screening and
- Any member of school staff can screen students.

If a student refuses to be screened, the Academy may refuse to have the students on the premises. Health and safety legislation requires the Academy to be managed in a way which does not expose

students or staff to risks to their health and safety and this would include making reasonable rules as a condition of admittance.

If a student fails to comply, the Academy will not permit the student to attend. This will not be considered exclusion but the absence will be treated as unauthorised.

This type of screening, without physical contact, is not subject to the same conditions as apply to the powers to search without consent.

Weapons or knives confiscated by the Academy

Members of staff may, on occasion, take possession of a knife or other weapon brought to the Academy by a person in circumstances which contravene the Offensive Weapons Act 1996.

Possession of the weapon in such circumstances by a member of staff is likely to be with good reason or lawful authority, and thus not an offence under the Act. But a member of staff in possession of a weapon in such circumstances should secure it, and pass it immediately to the Principal or Senior Vice Principal who will arrange without delay to surrender it to the Police or Safer School's Police Officer.

Appendix 4: Taking Account of Individual Student Needs

The following are examples of unfortunate situations which schools should avoid. They illustrate the importance of sensitivity to individual needs. Some of the inappropriate school responses described here contravene legislative requirements and could result in the school's actions being subject to challenge.

- A student is admonished for failure to follow a long and complicated instruction given by an adult, but the student has speech and language difficulties, and cannot process complex language.

A more appropriate response would be for the adult to make instructions short and clarify understanding by asking the child to repeat them.

- A looked-after student is sent out of class after an emotional outburst. This happens despite the staff member being aware that the student had been told by her social worker the night before that her foster family could no longer keep her and that she would shortly be moving to another family and school.

A more appropriate response would be to use a pre-agreed means for the student to take herself to a place where she could calm down, and if necessary, talk to a sympathetic listener.

- A refugee student dives under the desk at a sudden noise that reminds him of a terrifying event in his past. Other student laugh and the teacher, thinking he is playing the clown, requires him to miss the first ten minutes of his break time.

A more appropriate response would be to let the class know there are special circumstances and offer the student re-assurance and support.

- A Gypsy/Roma child is put on report for speaking in a seemingly over-familiar way to a teacher when they had not previously had expectations made clear to them, had no intention of being rude but was simply using the register considered appropriate in his culture.

A more appropriate response would have been to explain and demonstrate to the student what is expected in school and consider involving the Traveller Education Service in providing support.
